

Approved Continuing Education Activities
for the period of 9/1/2006 through 9/30/2008

Sponsor: Interstate Technology Regulatory Council (ITRC)
Activity: Remediation Process Optimizing – Advanced Training
Date: September 12, 2006
Hours: 2.0 Contact hours

Sponsor: Interstate Technology Regulatory Council (ITRC)
Activity: Perchlorate: Overview of Issues, Status, and Remedial Options
Date: September 19, 2006
Hours: 2.0 Contact hours

Sponsor: Interstate Technology Regulatory Council (ITRC)
Activity: What's New with In Situ Chemical Oxidation?
Date: October 5, 2006
Hours: 2.0 Contact hours

Sponsor: Ohio EPA and the American Council of Engineering Companies of OH
Activity: Voluntary Action Program Certified Professionals Training Course
Date: October 11, 2006
Hours: 6.25

Sponsor: Interstate Technology Regulatory Council (ITRC)
Activity: Guidance for Characterization, Design Construction and Monitoring Wetlands
Date: October 19, 2006
Hours: 2.0 Contact hours

Sponsor: Pennsylvania Land Recycling Program- 2006 Client Workshop
Activity: Required course for PGs who author and seal Brownfield Act 2 reports within Commonwealth of PA.
Date: October 24-26, 2006
Hours: 13.0 hours

Sponsor: Interstate Technology & Regulatory Council (ITRC)
Activity: Real Time Measurement of Radionuclides in Soil
Date: November 14, 2006
Hours: 2.0 Contact hours

Sponsor: Interstate Technology & Regulatory Council (ITRC)
Activity: Evaluating, Optimizing or Ending Post-Closure Care at Municipal Solid Waste Landfills Based on Site Specific Data Evaluations
Date: November 16, 2006
Hours: 2.0 Contact hours

Sponsor: Interstate Technology Regulatory Council
Activity: Planning and Promoting Ecological Land Reuse of Remediate Sites
Date: December 5, 2006
Hours: 2.0 Contact hours

Sponsor: Cook College (Continuing Professional Education)
Activity: Innovative Technologies for Site Remediation
Date: December 6, 2006
Hours: .06

Sponsor: Interstate Technology Regulatory Council (ITRC)
Activity: Direct Push Wells: An Overview of Technology ...
Date: February 02, 2007
Hours: 2.0 hours

Sponsor: Delaware Mineralogical Society – Earth Science and Mineral Show
Activity: Teaching and Exhibit on Piedmont Geology
Date: March 3 & 4, 2007
Hours: 12.0 hours (6 prep, 6 teaching)

Sponsor: Interstate Technology Regulatory Council (ITRC)
Activity: Intro to Nanotechnology – Application & Implementations...
Date: March 15, 2007
Hours: 2.0 hours

Sponsor: Princeton Groundwater, Inc.
Activity: The Remediation Course
Date: March 19-23, 2007
Hours: 24.0 hours

Sponsor: Pennsylvania Chamber of Business and Industry
Activity: Vapor Intrusion: Affects on Businesses & Current & Future...
Date: April 17, 2007
Hours: 12.0 hours

Sponsor: Western Pennsylvania Brownfields Partnership
Activity: 2007 The Business of Brownfields Conference
Date: April 19 & 20, 2007
Hours: 10.0 Contact hours

Sponsor: Department of Natural Resources and Environmental Control
Activity: Delaware Water Science Seminar
Date: April 25, 2007
Hours: 6.5 Contact hours

Sponsor: Battelle
Activity: Geochemical Evaluations of Metals in Soil, Sediment, Groundwater...
Date: May 06, 2007
Hours: 4.0 hours

Sponsor: Northern Illinois University/Mid West Geosciences Group
Activity: Assessing Groundwater Movement & Contaminant Migration...
Date: May 8 – 10, 2007
Hours: 24.0 hours

Sponsor: Battelle Bioremediation Symposium
Activity: Evaluating Monitored Natural Attenuation of MTBE and TBA
Date: May 09, 2007
Hours: 4.0 hours

Sponsor: VAPSS, Virginia Tech Dept. of Crop and Soil Environ. Sciences
Activity: An Introduction to Basic Soil Science
Date: May 16 & 17, 2007
Hours: 14.0 hours

Sponsor: Princeton Groundwater, Inc.
Activity: The Groundwater Pollution and Hydrology Course
Date: July 9 – 13, 2007
Hours: 37.0 hours

Sponsor: Pennsylvania Council of Professional Geologists
Activity: Balancing a Three Legged Stool...
Date: July 25, 2007
Hours: 5.5 hours

Sponsor: National Groundwater Association (NGWA)
Activity: Site Characterization in Support of Fractured Rock Remediation
Date: Sept 17-18, 2007
Hours: 12.0 hours

Sponsor: American Rock Mechanics Association (ARMA)
Activity: Rock Mechanics and Rock Engineering
Date: Sept 24 -28, 2007
Hours: 24.0 hours

Sponsor: National Groundwater Association (NGWA)
Activity: Fractured Rock Conference: State of the Science and Measuring
Date: Sept 24-26, 2007
Hours: 16.5 hours

Sponsor: Pennsylvania Geological Survey
Activity: Geologic Mapping – “Walkabouts” In Central Pennsylvania
Date: Sept 27-29, 2007
Hours: 16 hours

Sponsor: Lock Haven University of Pennsylvania
Activity: Groundwater Modeling Workshop and Class Presentation
Date: November 28, 2007
Hours: 8.0

Sponsor: Kleinfelder, Inc.
Activity: Understanding and Addressing Well Performance Issues
Date: April 23, 2008
Hours: 4 hours

Sponsor: Pennsylvania Department of Environmental Protection
Activity: Land Recycling Program – One Day Workshop
Date: April 23, 2008
Hours: 6 hours

Sponsor: Environmental Professional's Organization of Connecticut
Activity: Advanced Statistics for Environmental Professionals
Date: February 15, 2007
Hours: 8.5

Sponsor: ASTM
Activity: Phase I-II Environmental Site Assessments for Commercial Real Estate
Date: January 23-25, 2007
Hours: 19.5

Sponsor: Ohio EPA and the American Council of Engineering Companies of OH
Activity: Voluntary Action Program Certified Professionals Training Course
Date: November 29, 2007
Hours: 6.25

Sponsor: ESRI
Activity: Working with ArcPad7
Date: January 25, 2008
Hours: 3.0

Sponsor: Midwest Geoscientists Group
Activity: Improving Hydrocologic Analysis of Fractured Bedrock Systems
Date: March 25-28, 2008
Hours: 27.25

Sponsor: ASTM International
Activity: Assessment of Vapor Intrusion into Structures on Property Involved in Real Estate Transactions
Date: March 27, 2008
Hours: 7.0

Sponsor: ENSR
Activity: Integrated Site Closure Technology Transfer Summit
Date: April 3-5, 2008
Hours: 16.0

Sponsor: Delaware Geographic Data Committee
Activity: Delaware GIS 2008: A Spatial Network
Date: April 22-24, 2008
Hours: 4 hours (for GIS Conference) & 6 hours (for 2 workshops)

Sponsor: USEPA
Activity: PFAA Days II-Recent Advances in Perfluoroalkyl Acid Research
Date: June 3-4, 2008
Hours: 13.25

Sponsor: Tetra Tech, Inc.
Activity: 8-hour Supervisor Course in HAZWOPER (OSHA 29CFR1910.120)
Date: July 22, 2008
Hours: 8.0
